Background

On October 8, 2011, Governor Brown signed Senate Bill 454 (Pavley, Chapter 591, Statutes of 2011), which added Section 25402.11 to the Public Resources Code. This section provides the Energy Commission with the authority to adopt regulations establishing an administrative enforcement process for a violation of a regulation adopted pursuant to subdivision (c) of Section 25402 and for the assessment of an administrative civil penalty not to exceed two thousand five hundred dollars (\$2,500) for each violation.

On January 12, 2012, the Energy Commission adopted an Order Instituting Rulemaking (OIR) to implement Section 25402.11. This staff workshop is being held to solicit comments and information from interested parties during the preliminary stage of the rulemaking.
